The Strangers in The Box

Author: Pam Harazim

Come, look with me inside this drawer
In this box I've often seen
At the pictures, black and white
Faces proud, still and serene.

I wish I knew the people
These strangers in the box
Their names and all their memories
Are lost among the socks.

I wonder what their lives were like,
How did they spend their days?
What about their special times?
I'll never know their ways.

If only someone would have taken time,
To tell who, what, and when,
Those faces of my heritage
Would come to life again.

Could this become the fate
Of the pictures we take today?
The faces and the memories
Someday to be tossed away.

Make time to save your pictures
Seize the opportunity when it knocks
Or someday you and yours could be
The strangers in the box.

Help Your Ancestors Live Forever - Write Your Family History And Write Your Own History While You're At It

One of my goals in my personal genealogy is to make sure that my ancestors are remembered. Many had no descendants, so absolutely no one alive remembers them. That's sad to me, which is why I created a couple of family history websites. But recently I have been seeking even better ways to memorialize their lives. Their stories are important to be documented, which might explain why I am such a fan of newspaper research.

In any case, here are a few tools that I have discovered that provide a unique means to memorialize our ancestors.

And guess what? We need to produce our own autobiographies. We aren't getting any younger and memories do fade.

Whoowe

Produce an online history easily with text, video, and audio from online questions on your phone. You can contribute content in minute or several minute increments.

Whoowe is available from the AppStore and Google Play. Info at whoowe.com Try it out for free. Discount coupon for readers coming soon.

StorySpot

Produce an online memorial with text, video, timelines, photos, favorite songs, and audio, and produce an optional book. Great for family reunions also

A Life Untold

Produce an online history easily with text, video, and audio from online questions. Proceed at your own pace, and add questions if you like. Very easy to use.

Available at A Life Untold. Try it out. 10% discount available by using "HUNT as coupon code.

Record Your Autobiography With

AUDIOBIOGRAPHY

Audiobiography

They say the closest you can feel to someone without touching them, is hearing their voice. Produce an online autobiography or memorial with audio; add photos and coordinate with a book.

Available at Audiobiography. Try it out. 10% discount available by using "HUNT as coupon code.

"The Ancestor Hunt" is an affiliate for several of these companies and may receive a small commission should you purchase through this newsletter or the website and/or if you use the coupon codes mentioned above.
