

Rhode Island Free Online Genealogy Research Toolkit

If you follow The Ancestor Hunt, you know that we specialize in curating and presenting links to Free Online Genealogy Records, Collections, and Indexes by genealogical category. You can always get to these links by going to the [By Locations](#) page, selecting a state, and then a category. But, not all genealogy related material fits into a category that can be curated easily, such as scrapbooks, diaries, letters, old manuscripts, local histories, etc. Also, it is wise to search for information from several different angles. Hence this free online genealogy collection toolkit, customized for the State. Try searching these sites. You will likely find some very interesting results.
