

## United States Genealogical and Historical Societies

Some of the great places to start researching for genealogy records are in genealogical and historical societies. There are many national ones that span multiple states, and each state has them. Each society has collections and records available that will aid in your research. Some are accessible for non-members and even more are accessible for those who have purchased a membership. Below are some national, lineage, and ethnic societies on the first page, as well as the societies for each state on subsequent pages. These societies, plus local genealogical and historical societies have an abundance of online resources for members and non-members alike and some have great libraries.

### National, Lineage, and Ethnic Societies

Name	Type
<a href="#">National Genealogical Society</a>	National
<a href="#">Federation of Genealogical Societies</a> ***	National

<a href="#">The Irish Ancestral Research Association</a>	Ethnic
<a href="#">The National Danish-American Genealogical Society</a>	Ethnic

\*\*\* FGS Merged into the National Genealogical Society in 2020. It is cited here because it is well known, and some people may not be aware of the merger.

## United States Genealogical and Historical Societies

Where possible, both the genealogical and historical society of each state is listed with a link to their website. In some states the genealogical society's resources are more robust, and others the state historical society. You should visit both.
